HOW DOES UNLIMITED WORK?

This helps families with children who choose to dance for more than 6 Hours a week. Families with 2 children may explore 2 options:

- 1) Siblings taking unlimited hours- 1st dancer is \$200, for every sibling taking unlimited after that, simply add \$65 more to your monthly grand total! Siblings must actually meet the 6 hour requirement to receive sibling discount.
- 2) One child wants to dance unlimited & the other doesn't apply for unlimited hours? Add the unlimited child (\$200) with the sibling's monthly hours to find the total. Unlimited child+child dancing 1.5 hours= \$265 Grand Monthly Total
