

All About Our Holiday Showcase

We are excited to be celebrating our 15th Season with you and your dancer! Our Holiday Showcase is a time for friends and family to come out and support their dancer as they showcase what they've been working hard on all semester.

Holiday Showcase Fee

~ \$150 per dancer ~

Fee Includes,

Venue Rental Cost
1 Free Ticket
Showcase Attire (Shirt,
Bottom, & Hair Accessory)

Showcase Fees are due
October 10, 2022

Sunday December 18, 2022
3pm & 6pm
Carrollton Center for the Arts

All About Our Holiday Showcase

How is Showcase different from Recital?

Our Spring Recital is a huge production with an original script that we put on every year to highlight all of the hard work the kids and staff have put in throughout the year.

Our Holiday Showcase is a smaller version of our Shows to showcase what the kids and staff have been working on during the fall semester, minus the original script and acting. Think normal Recital for this event.

How will ticket purchasing be different from our normal Recitals?

We will be selling tickets to the Showcase in house this year. You will be able to purchase tickets from the front desk.

Every student will be given ONE ticket included in their Showcase Fee to ensure at least one family member will have the opportunity to watch their performer.

If you are a family that only has ONE child participating in the Showcase, we will automatically hold an additional ticket for you to purchase so up to two guardians are able attend. ALL tickets must be picked up and paid for no later than November 21st, as tickets will go on sale Monday, November 28th for regular purchase open to the public.

Your tickets are for general admission and you will be able to select your seating when you arrive at the theater on a first come, first serve basis.

All children 3 & under will not have to purchase a ticket but will need to sit in a lap if they choose to attend.

Will Videography and Photography be permitted during the Holiday Showcase?

Yes, audience members will be able to video and take photos but no flash will be permitted.

Will my child need to wear his/her hair a certain way or wear make-up during the performance?

All children participating in the Showcase will wear their hair a specific way but those details will be emailed out prior to the performance. Make-up is ALWAYS optional for our dancers. Only Company Level dancers are required to wear specific make-up.

How are classes chosen to participate in Showcase?

Classes are normally split between Showcase and Recital each year based on a number of things such as enrollment and how well the style fits the needs of each show.

Will my child participate in both shows?

Twinkle Toes, Tiny Tot, and Pre Dance Levels will only participate in one show, however all other levels will dance in both shows. If your Twinkle Toes, Tiny Tot, or Pre Dance Dancer is in Closing Number, he/she will still only participate in the one show.

Please see the complete list of which classes were chosen to participate in the Holiday Showcase on our website & in the Newsletter.
